

feed

```
graph LR; feed[feed] --> func[pip._vendor.chardet.charsetprober.  
CharSetProber.remove_xml_tags];
```

A diagram illustrating a data flow. On the left, a gray rectangular box contains the word "feed". A blue arrow points from the right side of this box to the left side of a larger white rectangular box on the right. This white box has a black border and contains two lines of text: "pip.\_vendor.chardet.charsetprober." and "CharSetProber.remove\_xml\_tags".

pip.\_vendor.chardet.charsetprober.  
CharSetProber.remove\_xml\_tags
