_tracker.BuildTracker.track"] --> C;
```

The diagram illustrates a relationship between two source functions and a common target function. Two light blue arrows originate from the right side of the source boxes and point towards the left side of the target box. The top arrow originates from the right side of the top box and points to the top of the target box. The bottom arrow originates from the right side of the bottom box and points to the bottom of the target box.
