

Formatter

```
graph BT; PangoMarkupFormatter --> Formatter
```

The diagram illustrates a class inheritance relationship. At the top is a white rectangular box with a black border containing the text "Formatter". Below it is a gray rectangular box with a black border containing the text "PangoMarkupFormatter". A blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that PangoMarkupFormatter inherits from or implements the Formatter class.
