

version

```
graph LR; version[version] --> response[pip._vendor.urllib3.response.HTTPResponse.connection];
```

The diagram consists of two rectangular boxes. The first box on the left is gray and contains the text 'version'. A blue arrow points from the right side of this box to the left side of a second, white box on the right. The second box contains the text 'pip._vendor.urllib3.response.HTTPResponse.connection'.

pip._vendor.urllib3.response.
HTTPResponse.connection
