

check_header_validity

```
graph LR; A[check_header_validity] --> B[_validate_header_part]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'check_header_validity'. The right box is white with a black border and contains the text '_validate_header_part'. The arrow points from the right side of the first box to the left side of the second box.
