

`pip._vendor.pygments.formatters.
_automodule.__getattr__`

`find_formatter_class`

`get_all_formatters`

`get_formatter_for_filename`

`_load_formatters`

```
graph LR; A["pip._vendor.pygments.formatters._automodule.__getattr__"] --> D["_load_formatters"]; B["find_formatter_class"] --> D; C["get_all_formatters"] --> D; E["get_formatter_for_filename"] --> D;
```

The diagram illustrates a central function, `_load_formatters`, which is the target of four other functions. These functions are arranged vertically on the left side of the image. Blue arrows point from each of the four functions on the left to the `_load_formatters` box on the right. The `_load_formatters` box is shaded gray, while the others are white with black borders.
