

pip._vendor.distlib.util.
Sequencer.remove_node

pip._internal.operations.build.build
_tracker.BuildTracker.track

remove

```
graph LR; A["pip._vendor.distlib.util.  
Sequencer.remove_node"] --> C[remove]; B["pip._internal.operations.build.build  
_tracker.BuildTracker.track"] --> C;
```

The diagram illustrates a relationship between two source functions and a common target function. Two light blue arrows originate from the right side of the source boxes and point towards the left side of the target box. The top source box contains the text 'pip._vendor.distlib.util. Sequencer.remove_node'. The bottom source box contains the text 'pip._internal.operations.build.build _tracker.BuildTracker.track'. The target box, which is shaded gray, contains the text 'remove'.
