

main

```
graph LR; main[main] --> isogeny_walks_sample_trit_string[isogeny_walks_sample_trit_string];
```

A diagram illustrating a function call. A white rectangular box on the left contains the text 'main'. A blue arrow points from the right side of this box to a larger, gray rectangular box on the right. The gray box contains the text 'isogeny_walks_sample' on the top line and '_trit_string' on the bottom line.

isogeny_walks_sample
