

`_dev_pkgs`

```
graph LR; A[_dev_pkgs] --> B[_should_suppress_build_backends]
```

A diagram illustrating a relationship between two variables. On the left, a gray rectangular box contains the text `_dev_pkgs`. A blue arrow points from this box to a larger white rectangular box on the right. The white box contains the text `_should_suppress_build_backends` arranged in two lines.

`_should_suppress_build
_backends`
