

Concatenate

```
graph LR; A[Concatenate] --> B[_concatenate_getitem]
```

A diagram showing a mapping from the public method 'Concatenate' to the private method '\_concatenate\_getitem'. A grey box on the left contains the text 'Concatenate', and a white box on the right contains the text '\_concatenate\_getitem'. A blue arrow points from the grey box to the white box.

`_concatenate_getitem`
