

`pip._vendor.pygments.formatters.  
_automodule.__getattr__`

`find_formatter_class`

`get_all_formatters`

`get_formatter_for_filename`

`_load_formatters`

```
graph LR; A["pip._vendor.pygments.formatters._automodule.__getattr__"] --> D["_load_formatters"]; B["find_formatter_class"] --> D; C["get_all_formatters"] --> D; E["get_formatter_for_filename"] --> D;
```

The diagram illustrates a central function, `_load_formatters`, which is the target of four other functions. These functions are arranged vertically on the left side of the image. Blue arrows point from each of these functions to the `_load_formatters` box on the right. The `_load_formatters` box is shaded gray, while the others are white with black borders.
