

_create_nix

```
graph LR; A[_create_nix] --> B[_get_nix_font_path]
```

A diagram showing a call from the function `_create_nix` to the function `_get_nix_font_path`. The `_create_nix` box is shaded gray, and the `_get_nix_font_path` box is white. A blue arrow points from the right side of the `_create_nix` box to the left side of the `_get_nix_font_path` box.

_get_nix_font_path
