

pip.\_internal.models.link.  
Link.from\_element

pip.\_internal.models.link.  
Link.from\_json

\_ensure\_quoted\_url

```
graph LR; A["pip._internal.models.link.  
Link.from_element"] --> C["_ensure_quoted_url"]; B["pip._internal.models.link.  
Link.from_json"] --> C;
```

The diagram illustrates a dependency or call relationship. Two source functions, `Link.from_element` and `Link.from_json`, both point via blue arrows to a common target function, `_ensure_quoted_url`. The source functions are contained within white rectangular boxes with black borders, while the target function is in a gray rectangular box with a black border.
