

`_vendor`

The diagram illustrates a package structure. A large light blue rectangle with a dashed border represents the root directory. Inside this rectangle, the text `_vendor` is centered at the top. Below `_vendor`, there is a smaller rectangle with a solid black border. This inner rectangle contains two elements: a smaller light blue rectangle with a solid black border on the left containing the text `compat`, and the text `resolvelib` to its right.

`compat`

`resolvelib`
