

`__getattr__`

```
graph LR; A[__getattr__] --> B[_resolve]; B --> C[pip._vendor.six._import_module];
```

A flowchart illustrating a sequence of three steps. The first step is a gray box labeled `__getattr__`. A blue arrow points from this box to a white box labeled `_resolve`. Another blue arrow points from the `_resolve` box to a larger white box labeled `pip._vendor.six._import_module`.

`_resolve`

`pip._vendor.six._import  
_module`
