

reset

```
graph LR; reset[reset] --> console[pip._vendor.rich.console.Console._buffer]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The first box on the left is gray and contains the text 'reset'. A blue arrow points from the right side of this box to the left side of a second, white box on the right. The second box contains the text 'pip._vendor.rich.console.Console._buffer'.

pip._vendor.rich.console.
Console._buffer
