

_get_linenum_pos

```
graph LR; A[_get_linenum_pos] --> B[_get_line_y]; B --> C[_get_line_height];
```

A flowchart consisting of three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text '_get_linenum_pos'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text '_get_line_y'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is also white with a black border and contains the text '_get_line_height'.
