

find_lexer_class

```
graph LR; A[find_lexer_class] --> B[_load_lexers]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'find_lexer_class'. The right box is white with a thin gray border and contains the text '_load_lexers'. The blue arrow points from the right side of the first box to the left side of the second box.

_load_lexers
