

BaseZipExtFile

```
classDiagram
    class BaseZipExtFile
    class ZipExtFile
    ZipExtFile --|> BaseZipExtFile
```

The diagram illustrates a class hierarchy. At the bottom is a gray box labeled 'ZipExtFile'. A blue arrow points upwards from this box to a white box labeled 'BaseZipExtFile' at the top. This indicates that 'ZipExtFile' inherits from 'BaseZipExtFile'.
