

parse_literal_str

```
graph LR; A[parse_literal_str] --> B[skip_until]; B --> C[suffixed_err];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'parse_literal_str'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'skip_until'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'suffixed_err'.

skip_until

suffixed_err
