

pip._vendor.distlib.manifest.
Manifest.add_many

pip._vendor.urllib3.
_collections.HTTPHeaderDict.extend

add

```
graph LR; A["pip._vendor.distlib.manifest.  
Manifest.add_many"] --> C["add"]; B["pip._vendor.urllib3.  
_collections.HTTPHeaderDict.extend"] --> C;
```

The diagram illustrates a relationship between two source functions and a common target function. Two light blue arrows originate from the right side of the source boxes and point towards the left side of the target box. The top source box contains the text 'pip._vendor.distlib.manifest.Manifest.add_many'. The bottom source box contains the text 'pip._vendor.urllib3._collections.HTTPHeaderDict.extend'. The target box, which is shaded gray, contains the text 'add'.
