

`_compare_equal`

```
graph LR; A["_compare_equal"] --> B["pip._vendor.packaging.specifiers._IndividualSpecifier._coerce_version"]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text `_compare_equal`. A blue arrow points from the right side of this box to a larger white rectangular box on the right. This right box has a black border and contains the text `pip._vendor.packaging.specifiers._IndividualSpecifier._coerce_version`.

`pip._vendor.packaging.specifiers.
_IndividualSpecifier._coerce_version`
