

VersionControl

```
graph BT; Subversion --> VersionControl
```

A diagram illustrating a class inheritance relationship. At the top is a white rectangular box with a black border containing the text "VersionControl". Below it is a gray rectangular box with a black border containing the text "Subversion". A blue arrow points vertically from the top of the "Subversion" box to the bottom of the "VersionControl" box, indicating that Subversion inherits from VersionControl.
