

start_task

```
graph LR; start_task[start_task] --> get_time[pip._vendor.rich.progress.Task.get_time]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text 'start_task'. A blue arrow points from the right side of this box to the left side of a larger white rectangular box on the right. This white box contains the text 'pip._vendor.rich.progress.Task.get_time'.

pip._vendor.rich.progress.
Task.get_time
