The diagram illustrates the relationship between two source paths and a target path. On the left, there are two white rectangular boxes with black borders. The top box contains the code `pip._vendor.platformdirs.macos.MacOS.site_config_dir` and the bottom box contains `pip._vendor.platformdirs.windows.Windows.site_config_dir`. Two blue arrows originate from the right side of these boxes and point towards a single gray rectangular box on the right. This gray box contains the code `site_data_dir`.
