

unpackb

```
graph LR; A[unpackb] --> B[_is_recursionerror]
```

A diagram showing a call from the function 'unpackb' to the function '\_is\_recursionerror'. The 'unpackb' box is shaded gray, while the '\_is\_recursionerror' box is white. A blue arrow points from the right side of the 'unpackb' box to the left side of the '\_is\_recursionerror' box.

\_is\_recursionerror
