```

The diagram illustrates a mapping from two source functions to a single target function. Two light blue arrows originate from the right side of the source boxes and point towards the left side of the target box. The top source box contains the text 'pip._vendor.six._LazyDescr.__get__' and the bottom source box contains 'pip._vendor.urllib3.packages.six.MovedModule.__getattr__'. The target box on the right is shaded gray and contains the text '_resolve'.
