

remove_node

pip._internal.operations.build.build
_tracker.BuildTracker.track

remove

```
graph LR; A[remove_node] --> C[remove]; B["pip._internal.operations.build.build_tracker.BuildTracker.track"] --> C;
```

The diagram illustrates a flow or relationship between three components. On the left, there are two rectangular boxes. The top box contains the text 'remove_node'. The bottom box contains the text 'pip._internal.operations.build.build_tracker.BuildTracker.track'. On the right, there is a gray rectangular box containing the text 'remove'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the 'remove' box. The arrow from the top box points slightly higher than the arrow from the bottom box.
