

make_resolver

```
graph LR; A[make_resolver] --> B[determine_resolver_variant]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is gray and contains the text 'make_resolver'. A blue arrow points from the right side of this box to the left side of a second box on the right. The second box is white with a black border and contains the text 'determine_resolver_variant'.
