

write_shared_locations

```
graph LR; A[write_shared_locations] --> B[pip._internal.models.link.Link.path]; A --> C[pip._internal.utils.temp_dir.TempDirectory.path];
```

The diagram illustrates the relationship between the `write_shared_locations` function and two specific paths within the pip internal modules. A central box labeled `write_shared_locations` has two blue arrows pointing to the right. The top arrow points to a box containing `pip._internal.models.link.Link.path`, and the bottom arrow points to a box containing `pip._internal.utils.temp_dir.TempDirectory.path`.

pip._internal.models.link.
Link.path

pip._internal.utils.temp
_dir.TempDirectory.path
