

check_installed_files

pip._vendor.distlib.database.
EggInfoDistribution.check
_installed_files

list_installed_files

```
graph LR; A[check_installed_files] --> C[list_installed_files]; B["pip._vendor.distlib.database.  
EggInfoDistribution.check  
_installed_files"] --> C;
```

The diagram illustrates a relationship between three components. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'check_installed_files'. The bottom box contains the text 'pip._vendor.distlib.database.EggInfoDistribution.check_installed_files' on three lines. On the right, there is a gray rectangular box with a black border containing the text 'list_installed_files'. Two blue arrows point from the right side of the two white boxes to the left side of the gray box, indicating that both functions or classes point to the 'list_installed_files' component.
