

`_to_dict`

```
graph LR; A["_to_dict"] --> B["pip._internal.models.direct_url._filter_none"]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text `_to_dict`. A blue arrow points from this box to a larger white rectangular box on the right. The white box contains the text `pip._internal.models.direct_url._filter_none`.

`pip._internal.models.direct  
_url._filter_none`
