Link.from_element"] --> C["_ensure_quoted_url"]; B["pip._internal.models.link.  
Link.from_json"] --> C;
```

The diagram illustrates a dependency or call relationship. Two boxes on the left, representing methods `Link.from_element` and `Link.from_json` from the `pip._internal.models.link` module, have blue arrows pointing to a single box on the right representing the `_ensure_quoted_url` function. The boxes on the left are white with black borders, while the box on the right is gray with a black border.
