

check_legacy_setup
_py_options

```
graph LR; A["check_legacy_setup  
_py_options"] --> B["_has_option"]
```

A diagram showing a flow from a function call to a variable. On the left, a gray rectangular box contains the text 'check_legacy_setup' followed by '_py_options' on the next line. A blue arrow points from the right side of this box to the right side of another rectangular box on the right. This second box is white with a black border and contains the text '_has_option'.

_has_option
