

find_plugin_lexers

```
graph LR; A[find_plugin_lexers] --> B[iter_entry_points]; B --> B;
```

The diagram consists of two rectangular boxes. The first box, on the left, is gray and contains the text 'find_plugin_lexers'. A straight blue arrow points from the right side of this box to the left side of a second box. The second box, on the right, is white with a black border and contains the text 'iter_entry_points'. A curved blue arrow starts from the top of the second box and points back to the top of the same box, indicating a self-loop.
