

site-packages

The diagram illustrates the structure of a Python site-packages directory. It is represented as a light blue rectangle with a dashed border. Inside, at the top, is the text 'site-packages'. Below this, there is a solid black rectangular frame. Inside this frame, there are three elements: a light blue box with a black border containing the text '\_vendor', another light blue box with a black border containing the text '\_internal', and the text 'pip' to the right of these two boxes.

\_vendor

\_internal

pip
