contains

```
graph LR; A["pip._vendor.packaging.specifiers._IndividualSpecifier.__contains__"] --> D[contains]; B["pip._vendor.packaging.specifiers.SpecifierSet.__contains__"] --> D; C["pip._vendor.packaging.specifiers._IndividualSpecifier.filter"] --> D;
```

The diagram consists of three white rectangular boxes with black borders on the left, each containing a Python method name. Three blue arrows originate from the right side of these boxes and point towards a single gray rectangular box on the right. The gray box contains the word 'contains' in black text. The top box points to the top of the gray box, the middle box points to the middle, and the bottom box points to the bottom.
