

pip._vendor.requests.cookies.
RequestsCookieJar.__setitem__

pip._vendor.tomli.
_parser.Flags.finalize
_pending

set

```
graph LR; A["pip._vendor.requests.cookies.  
RequestsCookieJar.__setitem__"] --> C["set"]; B["pip._vendor.tomli.  
_parser.Flags.finalize  
_pending"] --> C;
```

The diagram illustrates a mapping or relationship. On the left, there are two rectangular boxes. The top box contains the text 'pip._vendor.requests.cookies.RequestsCookieJar.__setitem__'. The bottom box contains the text 'pip._vendor.tomli._parser.Flags.finalize' followed by '_pending' on a new line. Two blue arrows originate from the right side of these boxes. The arrow from the top box points to the top of a gray rectangular box on the right. The arrow from the bottom box points to the bottom of the same gray box. This gray box contains the text 'set'.
