

The diagram illustrates the structure of the CMakeFiles directory. It is represented by a light blue rectangle with a dashed border. Inside this rectangle, at the top, is the text 'CMakeFiles'. Below this text is a solid black rectangular frame. Inside this frame, on the left, is a smaller blue rectangle with a black border containing the text 'common'. To the right of the 'common' box, within the same solid frame, is the text 'rng.dir'.
