

`_get_extradata`

```
graph LR; A["_get_extradata"] --> B["pip._vendor.rich.console.  
Console._buffer"]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text `_get_extradata`. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text `pip._vendor.rich.console.  
Console._buffer` on two lines.

`pip._vendor.rich.console.  
Console._buffer`
