

pip._vendor.rich.text.Text.remove
_suffix

pip._vendor.rich.text.Text.rstrip_end

pip._vendor.rich.text.Text.set
_length

right_crop

```
graph LR; A[remove_suffix] --> D[right_crop]; B[rstrip_end] --> D; C[set_length] --> D;
```

The diagram illustrates a mapping from three methods of the `pip._vendor.rich.text.Text` class to a single function, `right_crop`. Three light gray boxes on the left contain the method names: `remove_suffix`, `rstrip_end`, and `set_length`. Three blue arrows originate from the right side of these boxes and point to a single dark gray box on the right labeled `right_crop`.
