graph LR; A[remove_suffix] --> D[right_crop]; B[rstrip_end] --> D; C[set_length] --> D;
```

The diagram illustrates a mapping from three methods of the `pip._vendor.rich.text.Text` class to a single function, `right_crop`. Three light blue arrows point from the right side of each method box to the left side of the `right_crop` box. The `right_crop` box is shaded gray, while the others are white with black borders.
