

TestCase

```
classDiagram
    class TestCase
    class StreamWrapperTest
    StreamWrapperTest --|> TestCase
```

The diagram illustrates a class hierarchy. At the top is a white box with a black border labeled 'TestCase'. Below it is a gray box with a black border labeled 'StreamWrapperTest'. A blue arrow points from the top of the 'StreamWrapperTest' box to the bottom of the 'TestCase' box, indicating that 'StreamWrapperTest' inherits from 'TestCase'.

StreamWrapperTest
