

run

```
graph LR; run[run] --> method["pip._internal.cli.req_command.SessionCommandMixin.get_default_session"]
```

The diagram consists of a small grey rectangular box on the left containing the word 'run'. A blue arrow points from the right side of this box to a larger white rectangular box on the right. This larger box has a black border and contains the text 'pip.\_internal.cli.req\_command.SessionCommandMixin.get\_default\_session' in a black monospaced font, arranged in three lines.

pip.\_internal.cli.req  
\_command.SessionCommandMixin.get  
\_default\_session
