

pack_map_header

```
graph LR; A[pack_map_header] --> B[_pack_map_header]
```

A diagram showing a pointer relationship between two variables. On the left, a gray rectangular box contains the text 'pack_map_header'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text '_pack_map_header'. Both boxes have a thin black border.
