

is_object_one_of_types

```
graph LR; A[is_object_one_of_types] --> B[get_object_types_mro_as_strings]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'is_object_one_of_types'. The right box is gray with a black border and contains the text 'get_object_types_mro' on the top line and '_as_strings' on the bottom line.
