

match_previous_literal

```
graph LR; A[match_previous_literal] --> B[pip._vendor.pyparsing.util._flatten]; B --> B;
```

The diagram consists of two rectangular boxes. The first box, on the left, is gray and contains the text 'match_previous_literal'. A straight blue arrow points from the right side of this box to the left side of a second box. The second box, on the right, is white with a black border and contains the text 'pip._vendor.pyparsing.util._flatten'. A curved blue arrow starts from the top of the second box and points back to the top of the same box, indicating a self-loop.

pip._vendor.pyparsing.util.
_flatten
