

get_installation_error

```
graph LR; A[get_installation_error] --> B[_report_requires_python_error]; A --> C[_report_single_requirement_conflict]
```

The diagram illustrates a branching structure. A central box on the left, labeled 'get_installation_error', has two blue arrows pointing to the right. The top arrow points to a box labeled '_report_requires_python_error', and the bottom arrow points to a box labeled '_report_single_requirement_conflict'.
