

find_plugin_filters

```
graph LR; A[find_plugin_filters] --> B[iter_entry_points]; B --> B;
```

The diagram consists of two rectangular boxes. The first box, on the left, is gray and contains the text 'find_plugin_filters'. A straight blue arrow points from the right side of this box to the left side of the second box. The second box, on the right, is white and contains the text 'iter_entry_points'. A curved blue arrow starts from the top of the second box and points back to the top of the same box, indicating a self-loop.
