

Protocol

```
graph BT; BasePath --> Protocol
```

The diagram illustrates a relationship between two entities. At the top is a white rectangular box with a black border containing the text "Protocol". At the bottom is a gray rectangular box with a black border containing the text "BasePath". A blue arrow points vertically from the top of the "BasePath" box to the bottom of the "Protocol" box, indicating that "BasePath" inherits from or implements "Protocol".

BasePath
